# King's Lynn & countryside

Explore the historic Hanseatic town of King's Lynn, which has a wealth of magnificent buildings and architecture.

King's Lynn was one of England's most important ports from as early as the 12th century and this maritime past is still very much in evidence today. Fine old merchants' houses stretch down to the river between cobbled lanes and the elegant Custom House overlooks the original medieval harbour.

At the heart of the medieval old town, magnificent King's Lynn Minster dominates the Saturday Market Place which also features the distinctive Trinity Guildhall and historic Town Hall, home to Stories of Lynn, King's Lynn's latest attraction which tells the stories of the town and its people over more than 800 years of history.

Take a short walk past the grand buildings and merchants' houses of Queen Street and King Street, towards the magnificent Tuesday Market Place, probably one of England's grandest squares and home to the Corn Exchange, now a thriving concert hall. Just a short walk from here is the magnificent St Nicholas' Chapel and nearby True's Yard Fisherfolk Museum.

Discover the town's courtyards, alleyways and merchants' yards with the King's Lynn Town Guides and visit the Tourist Information Centre at the Stories of Lynn venue within the town hall complex.

Take a stroll along King's Lynn's historic waterfront beside the River Great Ouse. Stop for a meal or refreshments and watch out for boats arriving at the visitor pontoons. Be sure to visit after dusk and watch King's Lynn's stunning Lynn Lumière light projections.

## Why not take the opportunity to:-

- Visit Lynn Museum, home of the Seahenge display and other fascinating exhibits.
- Stroll through King's Lynn's beautiful parkland 'The Walks' and find the fascinating Red Mount Chapel.
- Pick up a copy of *Discover King's Lynn* to help you explore this historic town.

# Downham Market

Discover the ancient Saxon town of Downham Market, a gateway to the mysterious and magical Fens.

On the banks of the River Great Ouse, and dating back to Saxon times, Downham Market is one of Norfolk's oldest market towns. The attractive market place is immediately identifiable by the splendidly unusual and majestic black and white clock.

The town retains a really intimate feel, characterised by many fine historic buildings, craft and collectibles markets – with a bustling market on many Fridays and Saturdays where you can buy a variety of goods from clothes, to carpets, to fresh produce – and a host of local independent shops.

Over the past few decades, Downham Market has grown from being a quiet market town to a busy town with supermarkets, cafes and restaurants. The area is brim full of historic buildings and amazing architecture. Discover why Downham Market has been nicknamed 'Gingerbread Town' (due to its buildings made from local carrstone) and saunter through the countryside to explore fascinating nearby villages.

Downham Market is the perfect base to experience the great outdoors. Sailing and boating enthusiasts will certainly feel at home with plenty of waterways to navigate. Cruise along the river to Denver, where there are several moorings along your voyage to stop and enjoy the unique landscape.

## Why not take the opportunity to:-

- Experience the unique qualities of the Fens on a riverside walk along the Fens Rivers Way.
- Introduce the family to birdwatching and witness a spectacular display of swans at WWT Welney Wetland Centre.
- Explore petting areas and make friends with a variety of rare breed animals at Church Farm, Stow Baldolph.
- Visit the regular and popular outdoor markets, often held on Fridays and Saturdays in the heart of the town adjacent to the Town Hall.

# Hunstanton & Coastline

From iconic red and white striped cliffs to vast stretches of sandy beaches, Hunstanton is the ideal base to enjoy west Norfolk's superb coastline.

The elegant seaside resort of Hunstanton, or 'Hunston' as it is locally known, is renowned for its wonderful beach, unique striped cliffs and magnificent sunsets, made special by its position as the only west-facing resort on the east coast.

The seaside town began as purposely-built resort in 1846 and retains its Victorian charm and character to this day, remaining a popular holiday destination for visitors of all ages.

From buzzing family activities such as the traditional funfair, crazy golf, pitch-and-putt, the Oasis Leisure Centre to the tranquil award-winning Esplanade Gardens, there is truly something for everyone.

The town's array of award-winning gardens are especially delightful during the Spring and Summer months, and you can follow a self-guided Horticultural Trail to make sure you experience them all.

Past the stunning cliffs, Old Hunstanton has more of a village feel, with cottages built of Norfolk carrstone, traditional British pubs, hotels and an outstanding beach. You can walk from one resort to the other or take the popular seasonal land train, so you can enjoy the buzz of the resort in the morning then spend a lazy afternoon lying amongst the dunes.

The superb coastline is very popular for water sports with excellent conditions for sailing, windsurfing, kitesurfing, water skiing and canoeing.

## Why not take the opportunity to:-

- Visit the Hunstanton Heritage Centre, where you can find interactive displays and short films on the history of Hunstanton including its Geology, the Railway, the new town as a holiday destination and much more.
- Take a trip on the exciting Wash Monster from Hunstanton.
- Explore the rock pools beneath Hunstanton's famous striped cliffs.

# Ideas for your west Norfolk adventure

Escape to west Norfolk and immerse yourself in an idyllic mix of old world charm, natural landscapes and some splendid places to eat and drink.

Rippling towards the coast, the wide rolling landscape is a wonderful mix of forest and farmland. **Stop in charming villages**, buy fine local produce or sample some excellent seafood fresh from the sea. Why not bring your bike and fully experience the quiet country lanes and back roads on two wheels.

Explore Old Hunstanton and **stroll down to the beach** past colourful huts nestling amongst the dunes. From here you can walk to Hunstanton resort and discover superb seafront views, beautiful gardens and shops. Check out a host of art galleries, studios and workshops to sample the work of local artists and take home a truly original souvenir from your visit.

Brim full of history, west Norfolk is a **treasure trove of historic houses, castles and a host of heritage sites**. Visit Sandringham House, the Royal Family's country retreat, or take a trip to Houghton Hall, Holkham Hall or Oxburgh Hall. Travel back in time and experience medieval England at the famous 12th Century ruins of Castle Acre Priory and Castle Rising Castle.

For boat owners, **the coastline and waterways offer unique opportunities to explore**. Visitor pontoons at the heart of King's Lynn really provide a welcome stop over. During a visit to King's Lynn, check out some of the excellent theatre and art venues to enjoy exhibitions, live performances or take part in workshops. If you enjoy history, listen to the captivating stories of King's Lynn's most celebrated characters at Lynn Museum and Stories of Lynn.

Renowned throughout Britain, the area provides **outstanding opportunities for birdwatching**. From reserves along the coast, the unique environment of The Wash, and the special habitats of the fens, there are great opportunities to explore and discover our area's natural habitats.
